

# Bella Pilar is attitude

“ A philosophy of life, with its own values.  
A way of understanding things to make every moment a special moment, a game.  
Dancing barefoot, without fear, without shame, that is the essence of Bella Pilar. ”

## An iconic Love Story

It represents that iconic love story we all want to live. It is a wine that reaches the palate and the heart at the same time and that invites you to live life with the five senses.

## The special moments

The back of the bottle, allows you to see the level of the wine and at the same time to note on the label special moments for each occasion. Unique moments that are lived and shared while enjoying the Bella Pilar wine. These are the only wines on the market that encourage the user to interact with the bottle.

## D.O. La Mancha

Its denomination of origin has a very emblematic symbolism in our literature and wines, such as the quintessential Don quijote. La Mancha is the most extensive wine region in the world and the D.O. with the most vineyards in all of Europe.

## Two 100% organic varieties

Two of the five varieties are 100% organic wines, which are produced sustainably without the use of fertilizers or synthetic chemicals. They are organic products of the highest quality that meet the current demands of people and the planet.
